‘Genuine industry legal specialists are rare, but they can save time and money for clients.’

- Dr. Shrikant Pareshnath Hathi

Brus Chambers professional fees are mainly computed on hourly basis, some are customised on case to case basis or on stage-wise fixed fee, long term retainer depending on client requirement or on the matter.

All disbursements and tax where applicable are computed on actual unless the same is a package offer.

Disbursements/ Third party costs would include the following (where applicable): travel and transport; photocopying; phones and faxes; experts and counsels; airfare, hotels and meals, video-conferencing; correspondent fees and expenses; court or institutional fees' stamping and registration; government, quasi-government or other fees; court and other departmental; other actual expenses.

Each client has a dedicated partner (the lead partner) who will lead, co-ordinate and will be directly responsible to meet the client requirements effectively.

While computing on hourly basis we calculate only the lead partner's time although other lawyers and para-legal's are working on the file.

Our fees and expenses are computed in USD, EURO or INR only depending on the requirements of client.

We request you to prepare a date wise summary/ briefing note of the matter/ case and forward the same to us to enable us to understand and analyse the complexity of the matter, but before doing so, we request you to forward to us the name of the parties and ask us to run a conflict check thereafter the concerned partner/ lawyer who will attend to your file will revert if we are free to act and represent you with the applicable billing rates.

You are requested to write to the concerned lead partner attending to the file or to the Managing Partner as per below:
